Journal of Creative Behavior

A

ABSTRACTS *Volume:Pages*

FIRESTIEN, R. L. Effects of creative problem solving training on communication behaviors and quality of ideas generated in small groups 22:273-274

GURMAN, E. B. The effects of foreign travel on creativity 22:281

MANNING, B. & PERLMUTTER, J. Facilitating creativity of student teachers through post-observation conferencing 22:277-278

MORIATY, S. E. Advertising creativity and ELSIE scores 22:71-72

NOSANCHUK, T. A., OGRODNIK, J. A. & HENIGAN, T. A preliminary investigation of incubation in short story writing 22:279-280

ORTH, L. C. The relationship of parental child-rearing attitudes to creativity in gifted pre-school children 22:70

ROACH, B. Creative potential of organization decision-makers 22:275-276

SCHULDBERG, D. Perceptual cognitive and affective components of schizotaxia and creativity in a group of college males 22:73-74

ADOLESCENTS

SUBOTNIK, R. F. Factors form the Structure of Intellect model associated with gifted adolescents' problem finding in science: Research with Westinghouse Science Talent Search Winners 22:42-54

AMABILE, T. M. & HENNESSEY, B. A. Story-telling: A method for assessing children's creativity 22:235-246

AMOS, W. Just do it 22:155-161

ART *Volume:Pages*

LATHLAEN, P. Visioning the future through art in the aerospace organization 22:247-253

B **BIBLIOGRAPHIES**

STIEVATER, S. M. Bibliography of recent books on creativity and problem solving: supplement XXVI 22:282-285

STIEVATER, S. M. Bibliography of recent doctoral dissertations on creativity and problem solving: supplement XXVII 22:286-292

BIDWELL, T. & LUBECK, S. Creativity and cognition: a Piagetian framework 22:31-41

BRUCH, K. B. Metacreativity: Awareness of thought and feelings during creative experiences 22:112-122

BURNS, M. T. Music as a tool for enhancing creativity 22:62-69

BUYER, L. S. Creative problem solving: A comparison of performance under different instructions 22:55-61

C **COGNITION**

LUBECK, S. & BIDELL, T. Creativity and cognition: a Piagetian framework 22:31-41

COHEN, S. M. Evaluating a business opportunity 22:216-228

COMPUTERS

COYNE, J. P. Software entrepreneurship: Lessons learned 22:203-210

COUNCIL, M. Creating inspiration 22:123-131

COYNE, J. P. Software entrepreneurship: Lessons Learned 22:203-210

CREATIVITY MEASUREMENT

MORAN, J. D., III, SAWYERS, J. K. MILGRAM, R. M. & FU, V. R. Measuring creativity in preschool children 22:254-263

D **DEWEY, JOHN**

FARRA H. The reflective thought process: John Dewey re-visited 22:1-8

DIXON, B. & LAHE, L. Imagineering futures: the Epcot experience ..... Volume:Pages 22:229-234
D'ZAMKO, M.E. & SCHWAB, L. S. Group imaging for action: Creative thinking and problem solving 22:101-111

E

ENTREPRENEURSHIP

AMOS, W. Just do it 22:155-161
COHEN, S. M. Evaluating a business opportunity 22:216-228
